Bone Warriors

Do you like Gargons? Then you'll love this night time outdoor scavenger hunt with a twist. Be the first team to find all the clues while dodging the bone

warriors! Join us on August 4th after the Bible study from 8-9:30 at the church for a fun night of running, sneaking and searching.

GIRLS NIGHT

Girls only slumber party in the youth room! Bring your sleeping bags and pillows, and get ready to have some fun girl time. Bring any fun movies you might want to watch, and we'll play games, paint nails and stay up late! We

will have breakfast in the morning, but not dinner. August 9 and 10 from 8pm to 9 am.

Faith Day at the Rockies Baseball Game

Take me out to the ballgame, let me hear Jeremy Camp sing.... Ok, so that was a lame version of the classic song, but we are heading to Coors Field again this year for the Annual Rockies Faith Day, featuring Jeremy Camp. This is a Special Youth Group event and we have some great seats this year. Plus, I am excited to go and see a Rockies victory on Sunday, August 15th. We will meet at the church at noon and should return sometime around 5pm. Cost to go is \$25, but seats are limited, so sign up soon!

boondocks Fun center

Come and join us for a Special Youth Group night of fun and go-karts! We are going to be heading to Boondocks Fun Center on August 1 from 5-9:30 pm. Cost to go is \$24 and includes dinner (pizza and pop), free tokens for the video games and 3 hours of unlimited access to the go-karts, bumper boats, laser tag, and mini-golf. Sign up with Pete!

Star Trek Bible Study

We will be kicking off the Star Trek Bible Study soon and in style. We will be having a Special Youth Group on September 19th in honor of the study. We will have Klingon Food and costumes! Come and check it out!

This month we are going to be watching *The Karate Kid*, the original one. This was a great movie and one that I loved as a kid. But if you have noticed they have redone the original, which is in theaters now. This is nothing new in the movie industry, taking previous hits and redoing them for a new generation. These movies that spoke to one generation are then redone for another. I think that as people we desire to feel connection and to be spoken to. I would contend that there aren't really any "new" ideas, just a recycling or reusing of previous good ideas. But, I do think that there was something that was new and revolutionary 2,000 years ago. When God sent His son, Jesus, to earth to live, die and rise again. Humanity experienced something new and unique. A sacrifice that was made out of love, for no personal gain, but a complete sacrifice to save others. I am reminded of a very common verse, John 3:16-17 *"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him."* God is not a God of condemnation, but instead a God of love. And we are called to show this love over and over again. We are called to continually redo and reshow the love that we feel every day. Just like Hollywood takes something that is good and does it again, we are called to show God's love again!
